seminar 900 CZK (or 35 EUR)

accommodation only 500 CZK per prs. and two nights (350 CZK for one night)

Registration till 9th April 2012 by email info@tenshin.cz.

More information.

This year, the traditional Jodo seminar lead by the popular teacher Fred Quant from the Netherlands will be held in eastern Krkonose (Giant Mountains) at the Czech-Polish border. The seminar will include exams (shiken) and demonstrations (enbu), and it is open even for beginners.

Here are the details

The training will take place in the gym hall of SKI grounds in Mala Upa (18,5 x 33,5 meters, solid floor, we recommend using tabi or light shoes). The accommodation is arranged in 4 or 6 person suites including a kitchenette, a shower and a toilet, for 500 CZK per person for two nights (or 350 CZK for one night). Staying overnight at the gym is not possible. Price does not include meals. We consider ordering collective breakfasts and light lunches. There are dining possibilities in nearby hotels and chalets.

As mentioned, suites include a kitchenette with a fridge, stove, microwave oven and utensils, so cooking for yourself is also an option. The center offers various sports venues at a discounted price for the accommodated persons. The area is ideal for a vacation, and you can bring your family or other accompanying persons.

Please provide the following information in the registration e-mail: name and surname, dojo and the name of your teacher, the last technique or kata learned, the day of arrival (Friday or Saturday), whether you would be interested in breakfasts and lunches "à la carte", and whether you plan to take the exams and for which grade (only for FEJ members).

We will keep you informed about any changes.
Please register as soon as possible to make the planning easier.

Looking forward to meeting you in "Giant Mountains".
